- Learn about the principles behind successful conversations
- Explore practices, tools and techniques
- Increase your probability of having success through practice

Asian American Performance Art

Bobby Pins up Your Nose: AA Women Speak Out About Image

- Get insight into the Asian American Experience
- Be entertained while you learn about cultural differences
- Walk out appreciating yourself just the way you are

Rave Reviews:

Funny, engaging, inspirational and topical. Attendees left with expanded hearts and minds. HR, Legg Mason

Your presentation inspired all who attended, watched and listened. Director, FDIC

Engaging and useful for keeping an open mind and learning more about others. I was very impressed with Judy's professionalism, as well as her performance; ...the whole package ... was great.

Ayana Brown, USDA

Judy Tso, MAA, ACC is one of the leading Social Scientists offering an array of diversity consulting services that blends business, anthropology, and creativity to help individuals and organizations be more enlightened, productive, and successful. One of few Asians in her hometown in Kentucky, Judy has spent a lifetime dedicated to understanding the challenges that a diverse world presents. She channels that knowledge into experiential, entertaining and practical approaches to facilitating organizational change.

Judy holds a B.S. in Economics from the Wharton School of the University of Pennsylvania and a Master's degree in Applied Anthropology (MAA) from the University of Maryland, College Park. She is an accredited coach (International Coaches Federation) and has been trained by both the Coaches Training Institute and the Center for Right Relationship.

She is a member of the National Speakers Association and a former Executive Board member of the American Anthropological Association. Tso has appeared in the *New York Times*, the *Mercury News*, on television on Boston's *Asian Focus* and has been a guest of Voice of America's *Youth & Campus* show. She has written for such publications as the *Design Management Journal*, *Women's Business Boston*, and *Practicing Anthropology*.
